## Resolutions

**Directions:** As a group, come up with resolutions for each of the four BURNING ISSUES. All members must have a copy of the groups resolutions.

### Parts of a Resolution

1. Title of resolution including topic covered.
2. Supporting information which includes any background information as to why the resolution is being proposed. These statements should represent a brief but persuasive argument as to why the members should approve your resolution.
3. "Be it resolved" or operative clause. This is the "resolution proper," as it describes the proposed changes in the official policy document. This part of the resolution should specifically designate the actions that you wish to accomplish.
4. The names of group members asking for this resolution.
